It's Conference Time

BUMP will be closed to students on Monday, November 4th and Tuesday, November 5th. Teachers will be holding fall parent teacher conferences that week and will be preparing on Monday and meeting with parents on Tuesday. Please check with your child's teacher if you have not scheduled a conference time and would like to meet. The fall conferences are a time to hear how your child has adjusted to preschool and set goals for the upcoming months. We hope everyone is able to make it to conferences.

Looking Ahead to December

November will feel like it's flying by with conferences and planning for Thanksgiving. We know it's an incredibly busy time for families, so we want to let you know about our December events. Save the Date for our annual Holiday Program which will be on Monday, December 16th at 7 pm. More information will be sent out in December. On Thursday, December 19th, BUMP will close early at 11:30am. There is no lunch or Stay and Play that day as we take our teachers out for a Holiday Luncheon.

The classrooms will all have special events in December and will send out information closer to those times. We have scheduled extra music specials in December to add to the holiday fun! Stay tuned for future events!

Meet Our Parent Board

BUMP's Parent Board is a wonderful asset to our school! Not only do they oversee the setting of policy, procedures, and tuition rates, they are the organizers of our fundraisers and special events. Please say hello to your classroom representatives: Rachel Kappas, Debbie Nickoli (Happy Face Room), Meg Rogers (Sunshine Room), Nikki Barden, Lauren Bowen (Rainbow Room), Emily Buckley, Emily Reeves (Balloon Room). Thank you all for serving the BUMP Community!

Welcome our ECMH Partner

BUMP is very fortunate to be partnering this school year with Nationwide Children's Hospital and their Early Childhood Mental Health initiative. Kate Roush from Children's will be visiting our classrooms several times a month to help our teachers with strategies aimed at helping develop social and emotional skills in the classroom. This is a wonderful community partnership opportunity! Please let us know if you have any questions. Kate's contact information is: 614-506-3975 or email: Kathleen.Roush@nationwidechildrens.org

As it gets colder....

As it gets colder, please change out your child's back up clothing to long pants/long sleeves and send them with hats and mittens/gloves. The classes will continue to go outside to play when weather permits.

Also, please do your best to bring your key card to enable you to get into the building quickly. Once it gets very cold or if it is very rainy, we do not typically stand at the ramp door during drop off and pick up. Please let Katie or Amy know if you need a card.

From all of us at BUMP to you,
Happy Thanksgiving!
