

**NATIONWIDE
CHILDREN'S**

"When your child needs a hospital, everything matters."

Hello, my name is Kate Roush and I am an Early Childhood Mental Health Consultant from Nationwide Children's Hospital. I will be working at the center to help teachers develop social and emotional skills in the classroom. You may see me playing with children, observing in a classroom or talking to teachers and parents during my time here. My role here is to support teachers, children and families. Please feel free to contact me with any concerns or questions. I look forward to working with the program.
