Welcome December

December is always a happy, busy time at BUMP. The classrooms will be hard at work preparing special surprises, practicing songs, and talking about the holiday season. This year will look a bit different, but we will fill our halls with joy, nonetheless. We will not have an in-person holiday program this year, but instead will create a holiday video for you to enjoy that will feature each class singing their holiday song as well as sharing their thoughts about the season. We will send out the video link on or before December 16th.

Please note that BUMP will have an early dismissal on 12/17/20 at 11:30 am. There is no lunch that day or afternoon class for the full day children. The teachers will be having a staff holiday lunch, so please do your best to be on time.

COVID Update

We are keeping a watchful eye on the pandemic and local case numbers. We do feel that we are taking the proper precautions to allow us to remain open. Many of you have asked what we will do if Bexley City Schools go to remote learning. BUMP will remain open unless ordered to close by the Governor or if we are unable to staff our school. Thank you for continuing to be vigilant about symptoms and watchful of everyone's health. To date, BUMP has had only 1 case of COVID, which was back at the beginning of October.

Thank you!

During this season of thankfulness, we want to take a moment and say THANK YOU! to all our wonderful families! You have all been so encouraging during this challenging time and so many of you have sent in extra cleaning supplies. We could not do it without all of you!

Registration Information

Typically, in December we release registration information for the next school year. However, we are waiting a bit longer to see what happens with the pandemic and a vaccine before determining class sizes. We will be maintaining our limit of no more than 9 children per class through the end of this school year. We feel it is too early to determine group size for the 2021-2022 school year. We plan on putting out information for priority enrollment in January for our returning families, siblings, and alumni with open enrollment to all in February, but that is subject to change.

Bits and Pieces

- ✓ Childcare Tax Statements will be sent home by January 30th through email. Please let us know if you need a hard copy!
- ✓ Classes will continue to try and use the playground whenever the weather permits, so please try to send your preschooler each day with a warm coat, hat, and mittens.
- ✓ Please make sure to send in cold weather back up clothes for your child's cubby to ensure that they have a full change of clothes that includes long pants, long sleeves, socks, and extra underwear.

From All of Us at BUMP, We Wish You the Happiest of Holidays, from our family to yours!
