

# The BUMP Bulletin

## November 2021

Dates to Remember:  
11/24-11/26: NO SCHOOL,  
Thanksgiving Break

### Notes from the Director

It's hard to believe that it's November already! Our school year has gone very smoothly so far thanks to the efforts of our families and the enthusiasm of the children. We enjoyed our Halloween Parade and thank everyone who was able to attend and/or send in treats. We enjoyed dressing up for Halloween and celebrating with our class, we've enjoyed some beautiful weather and outdoor time, and we've been able to spend time with our friends and enjoy school! There is always something to be thankful for!

There is no school 11/24 – 11/26 for Thanksgiving break. We will not be having a schoolwide feast this year, but classrooms may opt to do something in their room. Please reach out to your child's teacher with any questions.

As you may have heard, the COVID-19 vaccine is now available in a pediatric dose for children ages 5-11. ODJFS has asked us to share this information with you and direct you to [www.ODH.ohio.gov](http://www.ODH.ohio.gov) or Franklin County Public Health at <https://myfcph.org/> for more information or help locating a vaccination site if you need it.

We are grateful that we can be in school and sharing our days with each other during this pandemic. We are thankful for YOU!

### Parent Board

Did you know that BUMP has a Parent Board that advises policies, tuition rates, and raises fund for the school? These dedicated parents need your help! Our board could use some more parents who would like to share their opinions, talents, and ideas for the betterment of our school. Our next parent board meeting will be on Thursday, November 18<sup>th</sup> at 10am here at school. We encourage anyone interested in joining to attend as we will begin the planning for the 2022-2023 school year. Please contact Katie in the office if you have any questions!

### Welcome Ms. Lauren

Please join us in welcoming Ms. Lauren Hill to the Happy Face Room. Lauren comes to us from a Montessori background, and is looking forward to our creative, play based learning. We are thrilled and lucky to be able to have her join us!

## Calling Playdoh Volunteers

If you are looking for a way to volunteer and don't mind a bit of cooking, our classrooms would love to have some homemade playdoh! It can be any color or recipe of your choosing. If you need a recipe, please check out our website under the parent links, where we have posted some easy playdoh recipes.

From all of us at BUMP to you,  
Happy Thanksgiving
