

VOLUNTEER

BUMP Parent Volunteer Form

Parent Name _____

Child's Name/Class _____

We love to have parent participation and our program relies on the help of our parents to be successful. We invite you to volunteer in any of the below areas that you are interested in. When you have completed this form, please bring it to your child's teacher or the preschool office. Let us know if you have any questions!

- BUMP Parent Board Classroom Representative – will meet once per quarter either in person or through zoom to discuss and make decisions regarding school policies, events, and tuition rates for the following year, and will act as classroom representatives. Please indicate if you are available for daytime, evening, or anytime meetings: _____
- Playdough maker! Make homemade playdough for your child's classroom.
- Fundraising – this is a subcommittee of the Parent Board and is always looking for creative and enthusiastic parents wanting to get more involved!
- Substitute Teacher – please see Katie or Amy if you are interested in being a substitute teacher! This is a paid, occasional position that does not require a teaching degree and can be flexible to your schedule. It does require a background check (which BUMP pays for) as well as some required ODJFS online training.

Each classroom will also ask for volunteers for things related to their rooms such as celebrations, field trips, special projects, etc... and will post sign-ups at that time.
